Two Calls for Nominations Launched North of 60° for Central Mackenzie Valley and Beaufort Sea/Mackenzie Delta

The Minister of Indian Affairs and Northern Development hereby calls for the submission of nominations for Crown reserve lands north of 60° in two administrative areas as indicated herein. All posting requests must be described in accordance with the Guidelines for Posting Parcels North of Latitude 60° N. Each parcel posted must comprise laterally or diagonally contiguous lands. Lands currently under licence which revert to Crown reserve status during the course of this call for nominations may also be nominated. Please check our website at: http://www.ainc-inac.gc.ca/nth/og/rm/ra/mra/index-eng.asp
This site will list any licence terminations.

The Part B - General terms and conditions of a subsequent call for bids are available on the website at http://www.ainc-inac.gc.ca/nth/og/rm/ri/sd/trmBN08-eng.asp

All posting requests should be submitted by fax by 4 p.m. (E.T.) on the closing date indicated for the call area and should be addressed to the attention: Oil and Gas Management Directorate, Northern Oil and Gas Branch, fax: (819) 953-5828. The individual or company that requested the posting of a parcel is expected to submit a bid in response to the call for bids. The Minister reserves the right to refuse future posting requests by that individual or company if a bid is not submitted. The Minister is not obliged to proceed with a call for bids for any lands posted. All Aboriginal subsurface selections made pursuant to the land claim settlement agreements are excluded from the lands available for posting. The boundaries of parcels posted for lands that either abut or surround these subsurface selections may be described by simple exclusion.

Central Mackenzie Valley (CMV)
The minimum size of any posting is one section; the maximum size is four grids (320 sections). The final land descriptions for these parcels will be prepared in consultation with the representative.

Posting requests received **at the latest on January 14, 2009 by 4 p.m. E.T.**, will be considered by the Minister for inclusion in a call for bids. Requests should be addressed as the "Central Mackenzie Valley Request for Posting".

The term of exploration licences that would be issued in a subsequent Call for Bids will be eight years consisting of two consecutive periods of four years each.

Beaufort Sea/Mackenzie Delta (BS/MD)
The size of parcels posted differs according to area. Minimum and maximum grid size of parcels is specified as follows.

North of latitude 75°N. onshore and offshore =1- 8 grids
North of Line "A" including Arctic Islands
and area subject to work prohibition order
North of latitude 70° N. = 1-6 grids
